Frank and Charlene Mehling

Greetings, fellow livestock producers,

We wish to invite you to our annual yearling bull and commercial heifer sale that will be held **Friday, April 25, 2025 at Bowman Livestock Marketing, Bowman, North Dakota**. The bulls have wintered at **Midland Bull Test at Columbus, Montana** again and will arrive at Bowman on **Tuesday, April 22**. You are invited to view them at Columbus before they depart or view at Bowman before the sale. The bulls were with their dams on pasture with no extra feed until mid- November when they were moved to Columbus. They are well grown but absolutely not overgrown and in condition to survive the coming breeding season.

65 Head of Commercial Heifers for Sale

We're offering a standout group of 65 commercial heifers, including fancy F1 cross baldies from our commercial Angus herd and bred herd. These heifers have been raised here at the ranch on pasture with hay and lick tanks, ensuring they're well-developed and ready to thrive.

• Poured and Cake Broke • Bangs Vaccinated • Ideal for Replacement Heifers

This exceptional set of heifers is prepared to perform. Don't miss your chance to add quality genetics to your operation.

We want to know what our genetics and our cows are capable of with what our pastures provide without the help of extra supplements. We believe in a no-BS culling - if you don't make the grade, you don't make the grade when it comes to our mothers and our bull calves.

All bulls and heifers have had veterinary recommended shots. Bulls have had a breeding soundness evaluation including a semen test before the sale. All bulls sold on sale day are ready for service. The first breeding season guarantee is explained on the opposite page. **If within 10 days of the sale** you find the bull's disposition unsuitable, we will replace him or refund in full if we don't have a replacement.

Supplemental data will be available, as it's provided by the Angus Association, on our website and facebook page.

If you haul your bull home yourself sale day there will be a discount of \$100.00. Heifer transport is the responsibility of the new owner, but we would be happy to help arrange transport if needed.

Thank you **Leo and Sam McDonnell** and **Steve and Amy Williams** and crew for feeding the bulls. **Bonnie from A2Z Printing** does a wonderful job with our catalog preparations. **Joe Goggins**, thank you so much for helping us find new homes for these cattle.

Many thanks also to **our neighbors** for your most willing help throughout the year when we need to work cattle and do other ranch work. Also, thank you to **Kellen McCalmont** for the continued help for a few years and for the calving help. We also receive a lot of assistance from **Jonathan and Rachel Deford and family**. Of course, thank you to **Paul and Michelle Mehling** and **Marcia Monforton** for your love and support. **Paul and Michelle** are here for us at any time.

We wish to thank our customers for your past support of our program. May our Lord bless you all.

The Mehling Family

- LIVE SALE BROADCAST -

This sale will be broadcast live on www.frontierlivesale.com. To view the sale:

1. Create an account, if you have already done so skip next step. To create a new account, click on the word **Registration** in the upper right hand corner. You must fill out the information requested. Then click **Create Account**. An

email will be sent to your email account you provided. Please click the link in the email to activate your new account.

2. Once you click the link, your account will now be activated.

3. At this point, you may click **Continue To Browse Our Site**. This will allow you to view all upcoming auctions.

4. Once you see the auction you are interested in, click **Get Approved To Bid** - absentee and live bidding.

5. Please enter your information in the form. Depending on the auctioneer, different information may be requested. Click **I agree to sale terms and conditions**. Congratulations! You are now approved for the auction. Now that you're approved you can participate in the auction and bid on its' items.

5. Login on sale day with the credentials provided at registration.

Call 866-313-0123 for tech help.

- FIRST BREEDING SEASON GUARANTEE -

All bulls selling for \$3,500.00 or more will be covered 50% of original purchase price by Medicine Rocks Ranch if they are injured during their first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bulls. Please notify us as soon as possible should any injury occur and prior to the bull being sold for salvage.

All salvage value will be retained by new owner.

Example 1: A \$10,000 bull is injured, a credit of \$5,000 will be given to the buyer.

Example 2: A \$5,000 bull is injured, a credit of \$2,500 will be given to the buyer.

Example 3: A \$3,500 bull is injured, a credit of \$1,750 will be given to the buyer.

He is moderate framed with extra rib shape, added muscle and incredible soundness of feet. In addition to CE, he is a true maternal gem that ranks near the top of breed for \$M, both foot EPDs and is positive \$EN. His outstanding dam is easy fleshing, deep ribbed, with excellent udder quality and good feet. He is everything commercial cattlemen ask for in a Calving Ease sire. His calves come easy, are vigorous at birth, attractive made and offer exceptional foot quality.

OCC Rear End 751R is a proven sire known for producing moderate-framed, muscular, and efficient cattle. His genetics emphasize easy fleshing ability, structural soundness, and longevity—traits ideal for low-input, forage-based systems. Popular for breeding durable, high-performing offspring that excel in real-world ranch conditions.

OCC Big Time 746Z combines grass efficiency, performance, and maternal strength. As a son of OCC Rear End, he delivers durability and added growth, backed by a powerful maternal line known for longevity and fertility. His first daughters at Spring Angus have excelled on grass alongside their mothers, thriving under extreme low-input conditions. This may be the fanciest, most productive set we've produced—proving Big Time's ability to balance efficiency, performance, and maternal power.

Hello everyone!

First of all, thank you for your interest in our program.

We believe the cow is key. You cannot develop the "perfect" bull if you are not initially impressed by the cow. Our ideal cows are the ones that calve on their own, breed back timely each year, and perform well in our environment on limited, to no extra inputs while bringing in a big healthy calf each fall. We ask our cows to graze 10+ months of the year whenever possible. The Cows need to be out working to find the best forage available and stay in good flesh. Of course the cow needs to meet our physical standards (moderate frame size, feminine head, expansive rib, adequate hip). She also needs to exhibit great maternal instincts the moment the calf hits the ground, yet be docile enough to let us tag and weigh her calf. With the built-in convenience traits (udder quality, fleshing ability, structural correctness, sound feet) of our herd and the proven females behind the sires we chose to use, we believe you can find confidence in our bulls.

Our bulls are fed enough to get a test of feedlot performance, but we absolutely will not push them to the point of harming their long-term structural development. The bulls have been in a pasture, have had plenty of exercise, and are ready to cover cows while remaining in decent flesh. We acknowledge fat bulls sell and we could probably make more money by pushing our bulls, but we refuse to hinder the long-term value of many years of breeding service. This year the bulls were developed

at Rounds Angus in South Dakota. Rounds do a great job of developing the bulls with a ration of free choice hay, Bull grower Canola, and Purina Ultimate Breeder 8 mineral. We believe customer satisfaction is paramount to our success! We strive for the type of cattle that will last, but in the case that one does not, we want to make it right. If you ever have a problem with one of our bulls let us know ASAP so we can make it right.

We would like to give a big heartfelt thank you to our friends, family, and neighbors for their help throughout the year and their support of our program. We couldn't do this without you!

Kelly, Torey, Oakley, Calgary, and Rogue Spring
